To Whom It May Concern,

On behalf of Glenwood Caverns Adventure Park, GCAP, I am writing to inform you of the hours and duties performed by Francisco Xavier Veneza Correa. During 2022 Francisco worked 615.96 total hours. He worked for us as a Plaza Operator. The main duties of this role are to focus on the safe operation of the attractions while consistently providing outstanding guest service to all guests. Proactively identify safety hazards or ride abnormalities and communicate these to the Maintenance and Attractions department. Follow protocols to open and close all attractions as outlined in manufacture specifications.

If there are any questions regarding his work with us and its relation to his university line of work, please contact me directly. Have a great day!

Should you have any questions please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to be "ER", followed by a long, horizontal, wavy line that extends to the right.
